CORRIGENDUM- II

The following amendments are made in the EPC document for the work of **“KIIFB-KIIDC-Extension of Moolathara Right Bank Canal from Korayar to Varattayar”**.

As per G.O(P)No.7/2021/Fin dated 07/01/2021, on account of slowdown in economy and financial crunch due to COVID 19 pandemic, “No provision regarding Bid Security should be kept in the Bid Document in future and only Bid Security Declaration should be kept in the Bid Documents”, it is decided to exempt Bid Security/EMD for the subjected project and to submit bid security declaration while submitting the bid documents.

The format of declaration

I hereby declare, I will ensure serious participation in the bidding process and abide by all EPC conditions & norms laid there in the EPC document published on 10-02-2021, the EMD having been waved.
